Dear Parent/Player,

We shall be holding a 5 week football coaching course at Landscope Primary School, for children in Years 2,3,4,5 and 6. The course will cover all the basic aspects of the game, with the emphasis on fun and enjoyment for all players. We hope to encourage skill development in an individual and team environment. The course will finish with a Penalty and 5-a-side competition as well as a 'Player of the course' award for a player that shows a high standard of behaviour together with an excellent attitude. All players must have boots and trainers, as well as shin-pads, a drink and a waterproof coat for bad weather. (For any sessions that the field is too wet, we shall be on the playground)

The course will take place on Thursdays, after school, from 3.45 to 4.45pm.
The charge for the 5 week course will be £12.50 per player. *The course dates are June 16th, 23rd, 30th, July 7th & 14th.*
Payment must be made before the commencement of the course.

All of our Coaching staff have Child Protection certification and are CRB checked as well as being FA/UEFA qualified. Our coaches are also unique in the fact that they are all either ex professional footballers and/or have experience in coaching at professional football clubs Centre of Excellence/Academy. We take pride in providing a service that is enjoyable for all abilities and age groups as well as promoting 'Fair Play' and high standards of good behaviour.

We have an official link with 'Plymouth Argyle Youth Development'. Any player that shows outstanding ability may be invited to train with our 'Plymouth Argyle' centre based at South Devon College.

If you would like to book a place, please fill in the form below and return it to the school office, **no later than Wednesday June 15th** together with full payment, in a clearly marked envelope (if the course does not meet adequate numbers your money will be returned). Places are limited and will be on a first come first served basis. **For insurance purposes it is essential that parental consent form below is returned before start of course.** Any session cancelled due to bad weather, will be made up on another date.
